<u>Updated</u>: Tuesday 08 June 2021

It is also allowed to link to the download page from websites and communities. Any file in any format can be uploaded and downloaded for free. Keep yourfiles private, or send your download links only to friends or family. Files can be downloaded from any computer from our high speed servers. You can give this download link to your friends by mail or instant messenger. We have no file size limit. Why pay storage fees for a file that you just wanted to send to a friend or colleague? Also, many team chat apps have limits to the size of files that can be transferred within their apps. Our service is completely free for everyone. You don't need any special software installed to be able to download your files. Just upload the file you want to share with your friends and we send you a download link to your file. Unfortunately, we can't make that part free. You decide who you want to share your files with. You can upload any type of file (movies,music, documents, images, zip files and more). filehosting provides an easy possibility for you to send large files to your friends. Files transferred the old-fashioned way tend to pile up and be forgotten about, eventually costing you money in data storage fees. No account or credit card is required to get started. Ifonly we could, we surely would! On the other hand, using file can actually save you money. Alternatively you can choose to share your download links onblogs, forums and social networking sites. When you use file, you avoid storing the file you're sending in your cloud storage or mail server. Using file, you cancircumvent those limits without paying to upgrade your team chat service. There are no restrictions on the number of times a file can be downloaded. So try ourfree and share the link. Your wallet will be none-the-lighter! Just so we're all 100% clear here: When you share a file, data is being transferred between yourcomputer or phone and our servers, then from our servers to your friends device. File is free to use with no gotchas and no hidden fees. This is
