Maybe even better than free.

File is free to use with no gotchas and no hidden fees. Using file, you can circumvent those limits without paying to upgrade your team chat service. Keep your files private, or send your download links only to friends or family. Just upload the file you want to share with your friends and we send you a download link to your file. Our service is completely free for everyone. Simply upload your file and share the link. So try our free and simple filehosting service now. filehosting provides an easy possibility for you to send large files to your friends. If only we could, we surely would! On the other hand, using file can actually save you money. Files transferred the old-fashioned way tend to pile up and be forgotten about, eventually costing you money in data storage fees. You can give this download link to your friends by mail or instant messenger. Why pay storage fees for a file that you just wanted to send to a friend or colleague? Also, many team chat apps have limits to the size of files that can be transferred within their apps. When you use file, you avoid storing the file you're sending in yourcloud storage or mail server. You can upload any type of file (movies, music, documents, images, zip files and more). You don't need any special softwareinstalled to be able to download your files. Unfortunately, we can't make that part free. We have no file size limit. This is easy, fast and reliable filehosting!You don't need any kind of premium-accounts. Your wallet will be none-the-lighter! Just so we're all 100% clear here: When you share a file, data is beingtransferred between your computer or phone and our servers, then from our servers to your friends device. Any file in any format can be uploaded anddownloaded for free. You decide who you want to share your files with. The cost of that data transfer is covered by your internet service or the data plan onyour phone. Alternatively you can choose to share your download links on blogs, forums and social networking sites. There are no restrictions on the number oftimes a file can be downloaded. No account or credit card is required to get started. It is also allowed to link to the download page from websites andcommunities. Files can be downloaded from any computer from our high speed servers.
